2. **Waiver of Friends of Intergenerational Schools (FIGS)/Intergenerational Cleveland financial support** (determined by Agreement between the schools and FIGS) for the 2021-2022 fiscal year, due to operating surpluses at the school.

3. Shared Staffing Contract Actions:

In order to reduce administrative burden and allow shared staff to receive one paycheck and W-2, instead of three (one from each school): each of the three Intergenerational schools will employ a like-expensed portion of the shared staff team of approximately ten full time employees, with expenses roughly totaling one-third of the total shared staff expense across the model. This will avoid multiple bill-backs and invoicing as well as skewed financial reports that result in any one school appearing to be over staffed even if being paid back for the service. At the end of each fiscal year, schools will reconcile their shared staff expenses to be one third of the total cost of all shared staff, and invoice their sister schools accordingly.

- a) Lakeshore Intergenerational School's budgeted expenses shall be estimated at \$267,000 and paid from General Funds or other available sources.
- b) **Lakeshore Intergenerational School will provide** all Human Resources, Network Operations, and Enrollment/Recruitment management services to Near West Intergenerational School and The Intergenerational School.
